Steak lovers have another great option at Chipotle: Carne Asada. Unveiled back in September, the limited-run menu item is a tender, premium cut of steak seasoned with

signature spices like cumin and coriander, topped with fresh lime and hand-cut cilantro, and seared to tender perfection.

Chipotle uses responsibly sourced, real ingredients that you can actually pronounce. So next time you're craving steak, grab a Carne Asada bowl or burrito. You can order online or stop by your local Chipotle before Carne Asada is gone.
